

What We Are

Each year Ontario's Colleges host a number of events across the province to assist prospective students with their post-secondary educational planning. For the fourteenth year, Centennial, George Brown, Humber, Michener, Seneca and Sheridan have partnered to host the Ontario College Fair (OCF) in Toronto, Ontario.

With our combined effort we hope to meet the needs of students interested in postsecondary education in one easily accessible location and in a format that encourages the participation and support of local school boards. Colleges from across the province will participate, including:

The event attracts upwards of 15,000 high school students, their parents or guardians, adult learners, teachers, and guidance counsellors gathering information on college programs, as well as career-specific information from professional organizations.

Sponsorship Benefits

Company/Brand Visibility

- Positioning on promotional brochures both Web-based and in print. Printed material is distributed to high schools through the GTA prior to the event.
- Opportunity to engage attendees when they are focused on planning for their future and are concentrating on their future needs.

Community Outreach

Note: Sponsorship Opportunities are only open to non-college/educational institutions

- As a sponsor of OCIF you will have the opportunity to have a key role in supporting and facilitating students as they create the framework for their future.
- Sponsorship is perceived as support for youth, education and the community. It suggests goodwill and elicits support for sponsor's products.
